INSTRUCTION TO SUPPLIER:

Please confirm in writing by return and clearly state our purchase order-, item- and part number on all correspondence.

All requests for offers, purchase orders, order confirmations and contracts for the sale and supply and delivery of goods to us, including installation thereof, are subject to our "General Purchase Conditions", these can be accessed and downloaded through the link below. The applicability of any other conditions is specifically rejected unless otherwise agreed in a contract signed by the parties.

When surface treatment is specified on the drawing please refer to "GST General Surface Treatments Specification Rademaker" where Rademaker's surface treatment requirements are specified. Surface treatment should be executed in full compliance to these specifications. When lasering/deburring, bending, welding, finishing and/or water blasting is specified on the drawing, please refer to #GOP General Operations Specification Rademaker#. Full compliance to the "GOP General Operations Specification Rademaker" is mandatory, when operation is mentioned on drawing. These specifications can be accessed and downloaded through the links below.
